

OADR Update

Friday 24 May 2024

We've flown to the end of another term! Whilst it's been a 'short' term, it has been an extremely busy one with trips, competitions, interviews, building works...and of course lots of learning! I would like to take this opportunity to thank you all for your ongoing support for OADR. Whilst we experience frustrations, mainly around the temporary site and associated factors, you are unwavering in your commitment to the school. I would also like to thank our incredible staff who go above and beyond every single day to ensure that our students get the best possible experience. As always, above all, I would like to thank your wonderful children who make OADR such a great place to work. Term 6 promises to be even busier with year 6 to 7 transition, more trips and events...and more building works!

I hope you all have a great bank holiday weekend and that our students enjoy a restful half term break.

Buildings Update

Those of you living locally may well have noticed some further activity in and around our Daventry Road site in recent weeks which is positive news. Frustratingly (again!), I am not in a position to provide any detailed update in this letter. However, my intention is to hold a parent/carer meeting during w/c 17 June where I should be able to give you a much more in-depth update. I am liaising with the DfE and contractors around this and hope to confirm the date early next term. I can only (again!) apologise for the lack of details on this really important matter. I would like to reassure you that Oasis are committed to sharing as much information as possible with you ASAP and also that things feel to be moving in a really positive direction.

Lockdown Drill

You may be aware from your children that we held a 'Lockdown' drill on Monday morning. We appreciate that these can feel stressful for some students, but it is absolutely vital that we are prepared for a range of situations that may arise in order to safeguard our community. In the days prior to the drill, we gave students a 'walk through' of expectations and had 1:1 conversations with any student who we felt may find the experience tricky. Whilst we want to support all students, we must be clear that involvement in any kind of drill (or obviously 'real' situation) can never be optional.

Our students were absolutely fantastic throughout the drill and settled back into learning swiftly afterwards.

OADR Football Competition

On Thursday, 23rd May, OADR held their first tutor football tournament. This tournament consisted of three different teams from each tutor group, and all the total points were combined. The competition was very intense across all three teams, with each student showing full participation.

The winning tutor group was the Blue Panthers, followed by:

2nd: Pink Flamingos

3rd: Golden Gorillas

4th: Red Monkeys

The star player of the tournament was Jasaiah, recognised for his football ability. Moreover, he stood out for his ambition, team spirit, and leadership, which motivated his side.
